For demonstrating this value by:

**Subject:** Joey = AMAZING

**Observation:**

Joey came into Visa and immediately made a HUGE impression on me and my team. Not only is he amazingly pleasant and positive to work with but he is extremely responsive (we're a demanding bunch) and the quality of the work he turns around is impeccable. The work isn't easy when we're asking him to be responsible for top issuer mock-ups across the globe. In a nutshell, Joey makes us look good in front of our clients. He brings our product to life in an elegant way and for all of that he is VERY deserving of this Go Beyond. Thank you, Joey! Couldn't live without you.
